CDL Defender® Frequently Asked Questions

Q

Why should I choose U.S. Legal Services?

Even good drivers have bad things happen from time to time. USL pays a local attorney's hourly rate when you need it. You will not need to come up with funds for an unexpected expense to use your legal benefits. Positive courtroom outcomes will aid your SMS and ability to keep driving. You also receive coverage for personal legal matters, financial coaching, tax advice and preparation as well as fully managed identity restoration should yours or your family member's identity be breached or stolen. You will be responsible for court costs and fines if there are any, but that is true with any legal plan. We pay the attorney's hourly rate, through trial, if necessary.
